### FOREVER FOREVIVE 2 SLIM SMARTWATCH

### Monitor your health and physical activity in high style

Elegancki smartwatch dla kobiet i mężczyzn

### ELEGANT INNOVATION

In the 21st century, technology is leading the way. A watch is a gadget that should really be up to date. **Forever Forevive 2 Slim smartwatch** combines **innovation and classic elegance**. It is a versatile **accessory for your outfit** and a functional **tool for everyday use**. The comfort of the watch is improved by the 2.5 D technology – the rounded edges of the display visually expand the screen space.

### ARRANGE THE WATCH ACCORDING TO YOUR TASTES

Forevive 2 Slim is a great **smartwatch both for a woman and a man**. All due to the proper design of the watch and two base colour options to choose from – **black or rose gold**. It comes with two unisex size straps – **a soft silicone one and a jewellery-like mesh bracelet**. Thanks to this convenience, **the device will blend in perfectly with your outfit**, whether it is a sports tracksuit or a smart shirt. Additional freedom is provided by **interchangeable watch face themes** and **a butterfly clasp mechanism**, which is among the most popular solutions on the market. Don’t limit yourself to just the two straps included in the starting kit.

## SWITCH TO ACTIVE MODE

Forevive 2 Slim lets you choose from **an array of sports modes**. The most popular options, such as walking, running, treadmill, biking or swimming, have been enhanced with yoga, football, volleyball, basketball, baseball, table tennis, badminton, skipping rope or extreme climbing. Performing a series of exercises is facilitated by a built-in **stopwatch and timer**. The **heart rate monitor** will allow you to better monitor your body during training, and the effects of your efforts will be shown by a **pedometer, burned calories counter and distance measurements**. A dedicated smartphone app records **activity history** and allows you to set your **own training goals**.

## A SMARTWATCH SUPPORTS HEALTHY LIFESTYLE

Our health and well-being will be guaranteed by **efficient sleep, adequate hydration and the right amount of exercise**. Forevive 2 Slim helps to better control all the above areas. The watch has a **sleep monitoring function** that will contribute to the quality of nighttime rest. The collected data will allow you to work out the conditions that give you the best sleep quality. **Reminders about inactivity and proper hydration** will help increase exercise and water consumption throughout the day. In addition, Forevive 2 Slim is equipped with a **breathing exercise** function to help relax and reduce stress. With the support of the Forever smartwatch, you will effectively make changes in your life for the better.

Powiedomienia w smartwatchu

## HIGH TIME TO GET BETTER ORGANISED

With Forevive 2 Slim, you’ll always be up to date. The watch is lightweight, handy and more convenient to use than a phone. The smartwatch screen displays **notifications** from mobile apps, text messages and incoming calls. Set **reminders** and don’t miss an important deadline. A comfortable **alarm clock on your wrist** will wake you up with pleasant vibrations, without interrupting the sleep of the person sharing your bedroom.

Muzyka w smartwatchu

## CONTROL VIA THE WATCH SCREEN

You don’t have to interrupt your activity in the middle to go get your phone. **You can control music** on your smartphone from your wrist, which is especially useful when exercising or doing household chores. **You can also remotely take a photo**, so group photos and perfect selfies will no longer be a challenge. You can look at the smartwatch screen and read the weather forecast. If you forget where you left your **watch or phone**, you can **quickly locate** one device using the other!

## WATERPROOF DESIGN

The Forever Forevive 2 Slim is **lightweight and comfortable**, in addition to being **durable and dust and water resistant**, with the highest **IP68 rating**. The design lets you to forget that you have an electronic device on your hand. The watch can’t be harmed by high humidity, rains, taking a shower or even an extended swim in the pool.

Smartwatch z wydajną baterią

## YOUR SMARTWATCH IN PRACTICAL TERMS

**The 180 mAh battery of your watch** provides a **working time of up to 15 days**. You charge it fully once, and use it for a long time. The display is 1.22 inches, easy to read and comfortable to use. A flick of the wrist will turn on the screen backlight. The Forevive 2 Slim smartwatch and the dedicated Forever app in Polish are **compatible with iOS and Android**. The watch connects to a smartphone using the latest version of Bluetooth technology – 5.0.
